

RE6210

Your 2020 Heart & Stroke PALS Provider Manual reflects the new science from the 2020 Guidelines for CPR and Emergency Cardiovascular Care (ECC). It is designed for a single user and is required for all students taking a PALS course. Students will use this book to progress through the course and as a reference tool before and after the PALS Course.

The PALS Provider Manual includes the 2020 PALS Reference Card.
